

## SOFTWARE LICENSE AGREEMENT

Anritsu provides this software to the customer on an “as is” basis free of charge. The customer may use this software only after agreeing to the contents of this software license (this license hereafter).

### Article 1 License and Forbidden Items

- 1) The customer may use this software only for the intended purpose with Anritsu instruments. The customer may make copies of this software for this purpose.
- 2) The customer shall not release, transfer, loan, or distribute this software to a third party or otherwise permit usage by a third party.

### Article 2 Compliance with Laws and Ordinances

The customer shall not, either directly or indirectly, use this software for development or proliferation of missiles or weapons of mass destruction, including nuclear, chemical, and biological weapons, nor shall this software be used for development of conventional weapons. The customer shall not permit export or re-export of this software to persons, businesses, and countries in contravention of the Japanese Foreign Exchange and Foreign Trade Act, the US Export Administration Act, and other related domestic and international laws, ordinances, and standards.

### Article 3 Indemnity

Anritsu provides this software to the customer on an “as is” basis without warranty. Anritsu shall not bear any responsibility for any losses whatsoever incurred by the customer or any third party due to the quality, functions, use or inability to use, rights infringement, etc., of this software. Anritsu shall retain these same indemnities even if the possibility of such risks has been previously noted or foreseen.

### Article 4 Intellectual Property Rights

Notwithstanding grant of the right to use this software based on this license, Anritsu and the original rights holder(s) shall retain all copyrights and other intellectual property rights related to this software.

### Article 5 Cancellation

This license shall be deemed cancelled in the event Anritsu revokes this license for any reason whatsoever, or if the customer violates Anritsu’s copyrights or other rights, or otherwise contravenes the law so as to reasonably believe this license cannot be continued.

### Article 6 Governing Law

This license is in conformance with Japanese law and shall be interpreted in accordance with the laws of Japan.

### Article 7 Jurisdiction

All disputes arising from this license shall come under the exclusive jurisdiction of the Tokyo Central Court (of Japan).
