Reason for revisions

There is no change from last forecast at revenue and operating profit level since measurement instruments for mobile market have been firm in our major business of Test and Measurement.

Profit before tax, profit and profit attributable to owners of parent for the fiscal year ending March 31, 2013 have been revised upward due to improvement of finance income by recognision of foreign currency exchange gain and scrutiny of collectability for deferred tax assets.

2. Revision of dividend forecast for the fiscal year ending March 31, 2013

| | | (Yen) |
|---------|-----------------|--|
| | Annual dividend | |
| Interim | Year-end | Total |
| | 9.50 | 17.00 |
| | 12.50 | 20.00 |
| 7.50 | | |
| 5.00 | 10.00 | 15.00 |
| | 7.50 | Number N |

Reason for revisions

With regard to return method to shareholders, our fundamental policy is profit sharing based on consolidated results. Basic system is, to fix the target range of devidends on equity (DOE) according to the level of consolidated profit, then the Company pays dividends from retained earnings based on comprehensive consideration of various factors with the view point of how to enhance value of the Company.

In connection with the revision of the performance forecast described above, Anritsu is revising upward its dividend plan by 3.00 yen from 17.00 yen per share (including an interim dividend of 7.50 yen) to 20.00 yen per share (including an interim dividend of 7.50 yen).
