

Profile

To contribute to the development of the ubiquitous network society, Anritsu will provide solutions in the fields of electronics, information networks and measurement to the mobile & Internet, industrial electronics, security and environmental measurement markets by utilizing “Original & High Level” technologies.

Anritsu will work to become an “Intelligent Solution Creator” that contributes to the development of the ubiquitous network society by creating better solutions in cooperation with its customers and partners. These efforts will, in turn, lead to improved customer value and new demand.

Company Philosophy

Anritsu, with sincerity, harmony, and enthusiasm, will contribute to creating an affluent ubiquitous network society by providing “Original & High Level” products and services.

Company Vision

To be a shining light by contributing to the development of the global network society.

To be a Global Market Leader by realizing Market-Driven and Customer-Focused strategies.

Company Commitment

- High return for shareholders
- Win-win relationships with customers
- Employees who are proud of Anritsu
- Contribution to society as a good citizen

Forward-Looking Statements

All information contained in this annual report which pertains to the current plans, estimates, strategies and beliefs of Anritsu Corporation (hereafter “Anritsu”) that is not historical fact shall be considered forward-looking statements of future business results or other forward-looking projections pertinent to the business of Anritsu. Implicit in reliance on these and all future projections is the unavoidable risk, caused by the existence of uncertainties about future events, that any and all suggested projections may not come to pass. Forward-looking statements include but are not limited to those using words such as “believe,” “expect,” “plans,” “strategy,” “prospects,” “estimate,” “project,” “anticipate,” “may” or “might” and words of similar meaning in connection with a discussion of future operations or financial performance. Actual business results are the outcome of a number of unknown variables and may substantially differ from the figures projected herein.

Factors which may affect the actual business results include but are not limited to the economic situation in the geographic areas in which Anritsu conducts business, including but not limited to Japan, the Americas, Europe and Asia, downward pressure on prices due to increasing competition or changes in actual demand for Anritsu products and services, Anritsu’s ability to provide products and services that continue to be accepted by customers in competitive markets, and exchange rates.

Readers also should not place reliance on any obligation of Anritsu to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Anritsu disclaims any such obligation.
