

Non-Compliant CE Mark and RoHS Products

List of Non-Compliant CE Mark and RoHS Products

The products that do not meet EU CE Mark and RoHS requirements are listed below.

Although these products comply fully with the RoHS Directive, depending on the combination of purchased and ordered models/names, the system may not be fully compliant. Contact our Business Section for more details. In addition, contact the same section for more information about CE marks and RoHS compliance/non-compliance of accessories.

RoHS Non-compliant Products	
RF MICROWAVE MEASURING INSTRUMENTS	
Power Meters	ML2430A Series
Precision RF & Microwave Components	RF/ μ Wave Components
COMPONENTS	
H-Field/E-Field sensor/E-Field Isotropic Antenna	2000-1800-R/2000-1791-R/2000-1792-R

Some Options are not RoHS compliant	
MOBILE/WIRELESS COMMUNICATIONS MEASURING INSTRUMENTS	
LTE-Advanced RF Conformance Test System	ME7873LA
